

# CUMULATIVE INDEX 2001

## Volume 85

---

January	ANTIBIOTIC THERAPY, PART II, pages 1-192
March	CARDIAC ARRHYTHMIAS, pages 193-557
May	ADVANCES IN THE PATHOPHYSIOLOGY AND TREATMENT OF PSYCHIATRIC DISORDERS: IMPLICATIONS FOR INTERNAL MEDICINE, pages 559-845
July	HEADACHES, pages 847-1099
September	POSTOPERATIVE MEDICAL COMPLICATIONS, pages 1101-1328
November	RESPIRATORY INFECTIONS, pages 1329-1634

---

*Note:* Page numbers of article titles are in **boldface** type.

- Abciximab, postoperative bleeding due to, 1282
- Abdominal infections, treatment of, 121
- in elderly persons, 143
- Abdominal surgery, postoperative pulmonary complications in, 1131-1132
- Abortion, septic, disseminated intravascular coagulation in, 1292
- Acamprosate, for alcohol abuse, 787
- Accessory pathways, atrioventricular node reentrant tachycardia involving, 197-204
- Acetaminophen, for headache, in pediatric patients, 1042-1043
- l*-Acetyl-a-methadol (LAAM), for opioid abuse, 789
- Acetylcholine deficiency, in delirium, 1230
- Acid-base imbalance, in postoperative kidney dysfunction, 1249
- Acinetobacter* pneumonia, nosocomial, 93-94, 1585
- Acquired immunodeficiency syndrome. *See* Human immunodeficiency virus infection.
- Actinomycosis, pulmonary nonresolving, 1517
- radiology of, 1487
- Acupuncture, for headache, 1078-1079
- Acute tubular necrosis, postoperative assessment of, 1246-1249
- causes of, 1242-1244
- detection of, 1245-1246
- prevention of, 1244
- treatment of, 1249-1250
- Adaptive immunity, in respiratory infection defense, 1335-1340, 1343
- Adenocarcinoma, disseminated intravascular coagulation in, 1292-1293
- Adenosine
- for paroxysmal supraventricular tachycardia, 1179
- for supraventricular tachycardia, 212-216
- for wide QRS complex tachycardia, 262, 264
- ADHD. *See* Attention deficit/hyperactivity disorder.
- Adjustment disorders, versus depression, 633-634
- Adolescent Drinking Inventory, 589
- Adrenal gland. *See* Hypothalamic-pituitary-adrenal axis.
- Adrenocorticotropin, stimulation of, in hypothalamic-pituitary-adrenal axis testing, 1314-1315
- Affect, inappropriate, in schizophrenia, 666
- Afterdepolarization
- delayed, in ventricular tachycardia, 270
- early, in polymorphic ventricular tachycardia, 328-329
- Agammaglobulinemia, pneumonia risk in, 1341

- AIDS. *See* Human immunodeficiency virus infection.
- Alcohol use and abuse, 783-787, **1191-1212**  
 clinical features of, 590  
 consequences of, 784-785  
 definition of, 1191-1193  
 diagnosis of, 587-591  
 emergency presentation of, 784  
 epidemiology of, 1193-1194  
 headache due to, 925-926  
 in bipolar disorder, 654  
 pathophysiology of, 783  
 pneumonia risk in, 1341-1342  
 postoperative withdrawal syndrome in  
 clinical features of, 1200-1202  
 delirium tremens in, 1202  
 differential diagnosis of, 1197-1198  
 early uncomplicated, 1200  
 hallucinosis in, 1201  
 physiology of, 1199  
 prolonged, 1202  
 seizures in, 1200  
 sequelae of, 1202-1203  
 severity of, 1200  
 time course for, 1199  
 treatment of, 1203-1207  
 preoperative instructions in, 1197  
 prevention of, 1194-1197  
 relapse from, 786-787  
 screening for, 1194-1196  
 treatment of, 785-787  
 withdrawal from, 783-786
- Allergic granulomatous angiitis, versus pneumonia, 1523
- Almotriptan  
 for migraine, 962, 963  
 structure of, 955
- Alopecia, antibiotic-induced, 179
- Alprazolam  
 for generalized anxiety disorder, 705  
 for social anxiety disorder, 722
- Alternative therapies, for headache,  
**1077-1084**  
 acupuncture, 1078-1079  
 herbal, 1081-1082  
 mind-body techniques in, 1079-1080  
 nutritional, 1080-1081  
 physical approaches to, 1082
- Alveolar hemorrhage, in systemic lupus erythematosus, versus pneumonia, 1423
- Alveolar macrophages, in respiratory infection defense, 1333-1335, 1445
- Alzheimer's disease, **803-817**  
 depression in, 809-810  
 psychosis in, 810-813  
 treatment of, 805-808  
 versus dementia with Lewy bodies, 804, 813
- Amantadine  
 for influenza prophylaxis, 1454, 1539-1541
- neurologic side effects of, 161
- American Academy of Neurology,  
 migraine practice guidelines of, 873
- American College of Cardiology, pacing  
 guidelines of, 369-374
- American Heart Association, pacing  
 guidelines of, 369-374
- American Thoracic Society  
 pneumonia prediction rules and practice  
 guidelines of, 1400-1401, 1495,  
 1499-1501  
 pneumonia severity criteria of, 1419-1420
- American trypanosomiasis (Chagas' disease), ventricular tachycardia in, 299
- Amikacin, for nosocomial pneumonia, 102
- Aminoglycosides  
 for elderly persons, 141  
 for *Pseudomonas aeruginosa* infections, 36-38  
 resistance to, 21-23, 36-37  
 nephrotoxicity of, 173, 175  
 neurologic side effects of, 161
- Amiodarone  
 for arrhythmias, perioperative, 1175-1176  
 for atrial fibrillation, 234-235  
 for supraventricular tachycardia, 214, 217  
 for ventricular tachycardia in elderly persons, 542  
 in ischemic heart disease, 272-277, 280-283  
 polymorphic, 331  
 for wide QRS complex tachycardia, 263-264  
 long-term use of, perioperative recommendations for, 1120  
 proarrhythmia monitoring and, 520  
 pulmonary infiltration due to, versus pneumonia, 1524-1525  
 ventricular proarrhythmia due to, 515
- Amitriptyline, for migraine in pediatric patients, 1049  
 with behavioral treatment, 1066
- Amnesia, in alcoholism, 785
- Amniotic fluid embolism, disseminated intravascular coagulation in, 1292
- Amoxicillin  
 for *Helicobacter pylori* infections, 120  
 for pneumonia, *Streptococcus pneumoniae*, 1374-1375
- Amoxicillin-clavulanate, for staphylococcal infections, 6
- Amphetamines, abuse of, 780-783
- Amphotericin B, hypotension due to, 163
- Ampicillin  
 for animal bite infections, 119  
 for listeriosis, 123

- for pneumonia, *Streptococcus pneumoniae*, 1374-1376
- Amygdala, dysfunction of, in anxiety disorders, 569-570
- b-Amyloid deposition, in Alzheimer's disease, 808
- Anaerobic infections
  - clindamycin for, 128
  - metronidazole for, 129
  - pneumonia, 1585
    - community-acquired, 53
    - nosocomial, 95-97
    - radiology of, 1467
- Analgesics, overuse and misuse of, in headache, 1058-1060, 1067-1068
- Anaphylactic reactions, antibiotic-induced, 157, 159
- Anemia, antibiotic-induced, 152, 154-155
- Anesthesia
  - anticoagulation and, 1113-1114
  - pulmonary complications due to, 1132
- Aneurysm, cerebral
  - headache in, 873-878
    - emergency department handling of, 976-977
  - postoperative stroke in, 1271
- Angina pectoris, headache in, 1088-1089
- Angiography, in headache, 878
- Angioplasty, coronary, before noncardiac surgery, 1159
- Angiotensin-converting enzyme inhibitors for congestive heart failure, 1164-1166 for hypertension, 1154 for myocardial infarction, 1160 for ventricular tachycardia, in ischemic heart disease, 272
  - long-term use of, perioperative recommendations for, 1121-1122
- Angiotensin II receptor blockers, long-term use of, perioperative recommendations for, 1121-1122
- Annexin, antibodies to, bleeding in, 1283-1284
- Antacids, nosocomial pneumonia associated with, 1553-1554
- Anthrax, treatment of, 118
- Antianginal drugs, long-term use of, perioperative recommendations for, 1120
- Antiarrhythmic drugs. *See also specific drugs.*
  - long-term use of, perioperative recommendations for, 1120-1121
  - proarrhythmia due to. *See* Proarrhythmia.
- Antibiotics. *See also specific antibiotics and infections.*
  - costs of
    - for elderly persons, 135
    - in pneumonia, 64, 66-69
  - for elderly persons, 133-147
  - for gastrointestinal infections, 120-123 for osteomyelitis, 117-118
  - for pneumonia
    - community-acquired, 43-78
      - guidelines for, 1501-1506
      - switch therapy in, 1429-1434
    - nosocomial, 79-113
    - ventilator-associated
      - inappropriate, 1566, 1571-1572
      - resistance and, 1566-1567
      - withholding pending culture results, 1569-1570
  - for pseudomonal infections, 19-42
  - for sinopulmonary infections, 116-117
  - for skin infections, 118-120, 142-143
  - for staphylococcal infections, 1-17
  - for urinary tract infections, 123, 142
  - new uses for, 125-132
  - nosocomial pneumonia associated with, 1554
  - oral, 115-123
    - switching from intravenous therapy, 70, 1429-1434
  - resistance to, 115-116
  - in pneumonia
    - community-acquired, 58-59
    - nosocomial, 1589-1590
    - ventilator-associated, 1566-1567
  - Pseudomonas aeruginosa*, 19-40
  - staphylococci, 3-5, 10, 127
  - Staphylococcus aureus*, 2-5
  - Streptococcus pneumoniae*, 1367-1379, 1503-1504
  - side effects of, 149-185
    - cardiac, 163, 169
    - class, 149-150
    - gastrointestinal, 170-172
    - hematologic, 150-155
    - hepatic, 171, 173-174
    - hypersensitivity, 153, 156-160
    - in pneumonia, 60-63
    - individual, 149-150
    - metabolic, 175, 177-178
    - nephrotoxic, 173, 175-176
    - neurologic, 160-162, 164-167
    - pulmonary, 162-163, 168
- Antibody(ies), heparin, thrombocytopenia due to, 1283-1284, 1289, 1305-1307
- Anticoagulants
  - for atrial fibrillation, 231-233, 531-532
  - for stroke, 1272-1273
  - perioperative, 1109-1116
    - anesthesia safety and, 1113-1114
    - bleeding risks and, 1109-1110, 1282-1286
    - discontinuation of, thrombosis risks in, 1111-1112
    - pharmacokinetics of, 1112-1113
    - recommendations for, 1114-1115

- Anticoagulants (*Continued*)  
 stroke due to, 1270
- Antidepressants  
 action of, 563-564  
 for attention deficit/hyperactivity disorder, 768-769  
 for bipolar disorder, 657  
 for depression, 564, 635-639, 809-810  
 for generalized anxiety disorder, 705-706  
 for migraine  
   in pediatric patients, 1049-1050  
   with behavioral treatment, 1066  
 for social anxiety disorder, 723-724  
 long-term use of, perioperative recommendations for, 1125
- Antidiuretic hormone, inappropriate secretion of, postoperative, 1247-1248
- Antidromic atrioventricular node reentrant tachycardia, 197
- Antiepileptics, long-term use of, perioperative recommendations for, 1124
- Antifungal agents, for elderly persons, 144
- Antigen recognition and processing, in respiratory infection defense, 1336
- Antigen studies, for pneumonia diagnosis, 1387-1388
- Antihypertensives, long-term use of, perioperative recommendations for, 1121-1122
- Antikindling agents, for alcohol withdrawal, 785-786
- Antioxidants, for Alzheimer's disease, 807
- Antiparkinson drugs, 1125
- Antipsychotic agents  
 for Alzheimer's disease, 810-813  
 for bipolar disorder, 655-656, 658  
 for schizophrenia, 674-676  
 long-term use of, perioperative recommendations for, 1126
- Antiretroviral agents, gastrointestinal side effects of, 170
- Antisocial personality disorder, 828-829
- Antithrombin III deficiency, postoperative stroke in, 1266
- Antithyroid drugs, long-term use of, perioperative recommendations for, 1125
- Antiviral agents, for elderly persons, 144
- Anxiety disorder, syncope in, 441-442
- Anxiety disorders  
 classification of, 585-586  
 depression with, 633  
 diagnosis of, 584-587  
 economic impact of, 584  
 generalized, **691-710**  
   clinical features of, 701  
   comorbidity with, 696-697, 702  
   concept of, 691-693  
   costs of, 702-703  
   course of, 701  
   definition of, 585  
   diagnosis of, 586  
   epidemiology of, 692, 694-697  
   imaging in, 700  
   impairment in, 702-703  
   pathophysiology of, 697-700  
   risk factors for, 695-696  
   treatment of, 703-706  
   imaging in, 567-569  
   in medical illness, 586-587  
   pathophysiology of, 564-570  
   social. *See* Social anxiety disorder.  
   treatment of, 569-570  
   underdetection of, 586  
   versus attention deficit/hyperactivity disorder, 761-762  
   versus normal anxiety, 586
- Aplastic anemia, antibiotic-induced, 152, 155
- Aprotinin, for postoperative bleeding, 1287-1288
- Ardeparin, for deep vein thrombosis prevention, 1104
- Argatroban, for heparin-induced thrombocytopenia, 1284, 1305-1306
- Aromatherapy, for headache, 1081
- Arrhythmia(s). *See also specific arrhythmias.*  
 antibiotic-induced, 163, 169  
 implantable cardiac defibrillators for. *See* Implantable cardiac defibrillators.  
 perioperative, **1171-1189**  
   atrial flutter and atrial fibrillation, 1173-1178  
   atrial premature contractions, 1176  
   bradycardia, 1172-1173  
   in cardiac surgery, 1173-1174  
   in thoracic surgery, 1174-1175  
   incidence of, 1171-1172  
   multifocal atrial tachycardia, 1179-1180  
   narrow-complex tachycardia, 1178-1179  
   paroxysmal supraventricular tachycardia, 1178-1179  
   risk factors for, 1172-1176  
   significance of, 1171-1172  
   sinus tachycardia, 1172, 1176  
   ventricular fibrillation, 1180-1181  
   ventricular premature contractions, 1180  
   ventricular tachycardia, 1180-1181  
   wide-complex tachycardia, 1181
- Arrhythmogenic right ventricular dysplasia, tachycardia in, 296-298
- Arteriovenous malformations, versus migraine, 872-873
- Arteritis, giant cell (temporal), headache in, 879-882, 980, 1087-1088
- Arthropathy, antibiotic-induced, 177, 179

- Arthroplasty, thrombosis prophylaxis after, 1101-1107
- Aspartame, as migraine trigger, 931
- Aspergillosis, pulmonary  
nonresolving, 1516  
nosocomial, 1586  
radiology of, 1485-1487
- Aspiration, for pneumonia diagnosis  
trans thoracic, 1390-1391  
transtracheal, 1389-1390
- Aspiration pneumonia  
in elderly persons, 1444  
treatment of, 53  
versus community-acquired pneumonia, 1525
- Aspirin  
for atrial fibrillation, 231, 531-532  
for myocardial infarction, 1160  
for stroke, 1273  
prophylactic, in carotid endarterectomy, 1268  
long-term use of, perioperative recommendations for, 1119  
postoperative bleeding due to, 1281
- Asthma, drugs for, long-term use of, perioperative recommendations for, 1122-1123
- Ataxia, cerebellar, antibiotic-induced, 165
- Atenolol  
for alcohol withdrawal, 1206  
for myocardial ischemia prevention, 1157  
for social anxiety disorder, 722  
for supraventricular tachycardia, 214, 216  
for syncope, 448
- Atherosclerosis  
in diabetes mellitus, postoperative considerations in, 1216-1217  
myocardial ischemia in, perioperative, 1155
- Atrial fibrillation and atrial flutter, 225-244  
anticoagulant therapy for, perioperative recommendations for, 1111-1112  
begets atrial fibrillation, 229  
causes of, 225-227  
chronic, 227, 484  
clinical assessment of, 229-230  
epidemiology of, 225-227  
in elderly persons, 529-532  
in Wolff-Parkinson-White syndrome, 199, 218-219  
natural history of, 227-228  
paroxysmal, 227, 483  
pathophysiology of, 228-229  
perioperative, 1173-1178  
stroke in, 1264-1265  
persistent, 227  
treatment of, 230-239  
atrial remodeling prevention in, 238-239  
catheter ablation, 479-484  
nonpharmacologic, 235-238  
pacemaker, 236, 239, 386-389  
pharmacologic, 233-234  
sinus rhythm restoration and maintenance in, 231-239  
thromboembolic prophylaxis in, 231  
vagally mediated, pacemaker in, 386-389
- Atrial premature beats  
in elderly persons, 527-529  
perioperative, 1176
- Atrial tachycardia, 201, 203, 205-207  
as proarrhythmia, 511-513  
catheter ablation of, 477-479  
focal, 478  
in elderly persons, 527-529  
incisional, 479  
multifocal, 206, 208  
perioperative, 1179-1180  
pacemaker in, 399-400
- Atrioventricular block  
in elderly persons, 533-534  
pacemaker in, 370, 390-400  
perioperative, 1181-1182
- Atrioventricular dissociation, in tachycardia, 253-255
- Atrioventricular junction, catheter ablation of, 490-491
- Atrioventricular node reentrant tachycardia, 194-197  
catheter ablation of, 484-486, 489-490  
mediated by accessory pathways, 197-204
- Atrium, remodeling of, in atrial fibrillation, 229, 238-239
- Attention deficit, in delirium, 1231
- Attention deficit/hyperactivity disorder, 757-777  
classification of, 759-760  
clinical features of, 759-760  
comorbidity with, 762  
differential diagnosis of, 761-762  
epidemiology of, 758-759  
evaluation of, 761  
historical overview of, 757-758  
medical illness with, 762  
psychiatric interview in, 763  
psychologic testing in, 764-766  
rating scales for, 763-764  
Tourette syndrome with, 744  
treatment of, 766-773  
behavioral, 771-773  
in adults, 772-773  
pharmacologic, 766-771
- Atypical pneumonia syndrome, 1349-1365.  
*See also specific pathogens.*  
clinical features of, 1351  
coinfections in, 1354-1356  
diagnosis of, 1356-1358  
epidemiology of, 1351-1354

- Atypical pneumonia syndrome (*Continued*)  
 historical perspective of, 1350-1351  
 nonresolving, 1514  
 prognosis for, 1358-1359  
 treatment of, 1358-1359, 1502-1503  
 unknown pathogens in, 1354
- AUDIT questionnaire, for alcohol use screening, 1194-1196
- Aura  
 migraine with, 898-901, 945, 948  
 migraine without, 898-901, 951  
 versus tension-type headache, 903-906
- Automatic information processing, in obsessive-compulsive disorder, 740
- Automaticity, of pacemakers, 404-406
- Autonomic dysfunction  
 in anxiety disorders, 699-701  
 in cluster headache, 998-999  
 in SUNCT syndrome, 1007  
 syncope in. *See* Syncope, in autonomic dysfunction.
- Avoidant personality disorder, 829
- Azithromycin  
 for elderly persons, 139  
 for pneumonia, 69  
 community-acquired, 1505  
*Streptococcus pneumoniae*, 1374-1375
- Azlocillin, for *Pseudomonas aeruginosa* infections, 20-21, 25
- Azotemia, in postoperative kidney dysfunction, 1248
- Aztreonam  
 for elderly persons, 138  
 for nosocomial pneumonia, 102  
 for *Pseudomonas aeruginosa* infections, 29  
 pharmacokinetics of, 24  
 resistance to, 21-22
- B lymphocytes, in respiratory infection defense, 1331-1332, 1339-1340
- Bacitracin, for skin infections, 118
- Bacteroides pneumonia*  
 community-acquired, 53  
 nosocomial, 95-96
- Barbiturates, for alcohol withdrawal, 1206-1207
- Basal ganglia, pathology of, in schizophrenia, 671-672
- Basilar artery migraine, 907
- BATHE mnemonic, for anxiety screening, 703
- Behavioral therapy  
 for alcohol abuse, 1204  
 for attention deficit/hyperactivity disorder, 771-773  
 for headache, 1055-1075  
 activity participation in, 1069  
 advantages of, 1055-1056
- analgesic overuse control in, 1067-1068
- analgesic use evaluation for, 1058-1060
- biofeedback in, 1063-1065
- chronic daily, 1058-1059, 1064
- cognitive-behavioral analysis for, 1056
- comorbid psychiatric disorder evaluation for, 1061-1063
- compliance issues in, 1069-1070
- disability impact evaluation for, 1063
- factors underlying, 1068-1069
- future of, 1070-1071
- in multidisciplinary, 1068
- migraine, 1063-1067
- multiaxial behavioral assessment for, 1057-1063
- pharmacotherapy with, 1065-1067
- posttraumatic, 1065
- relaxation therapy in, 1063-1065
- stress assessment for, 1060
- tension-type, 1065-1067

- Sensing, by defibrillator, 346-349
- Sensory disorders, in migraine, 899, 945, 947-948
- Sensory stimuli, as migraine triggers, 906-907
- Sepsis  
catheter-related, in nutritional support, 1260  
disseminated intravascular coagulation in, 1291  
fever in, 1143
- Septic abortion, disseminated intravascular coagulation in, 1292
- Sequential therapy, 1429-1430
- Serotonin, abnormalities of  
in anxiety disorders, 565-566, 699  
in depression, 632-633  
in obsessive-compulsive disorder, 739  
in schizophrenia, 670
- Serotonin reuptake inhibitors. *See* Selective serotonin reuptake inhibitors.
- Serotonin syndrome, triptan-induced, 961, 963
- Serratia pneumonia, nosocomial, 1585
- Sertraline  
for depression, 636  
for social anxiety disorder, 721
- Serum sickness, antibiotic-induced, 159-160
- Severe combined immunodeficiency, pneumonia risk in, 1341, 1343
- Sexual activity, headache in, 1085-1086
- Shigella gastroenteritis, treatment of, 122
- Shock liver, disseminated intravascular coagulation in, 1291, 1295
- Shy-Drager syndrome, syncope in, 462-463
- Shyness, versus social anxiety disorder, 714
- Sick headache, 951
- Sick sinus syndrome. *See* Sinus node, dysfunction of.
- Sickle cell disease, acute chest syndrome in, versus pneumonia, 1525, 1527
- SIGECAPS mnemonic, for depression symptoms, 632
- Single-photon computed tomography, in anxiety disorders, 568-569, 700
- Sinopulmonary infections, antibiotics in, 116-117
- Sinus bradycardia, as proarrhythmia, treatment of, 522-523
- Sinus node  
dysfunction of  
pacemaker in, 371, 389-400  
perioperative, 1181-1182  
supraventricular tachycardias originating in, 206, 209
- Sinus rhythm  
maintenance of, in atrial fibrillation, 233-239  
restoration of, in atrial fibrillation, 231-233
- Sinus tachycardia  
inappropriate, 206, 209, 478-479  
perioperative, 1172, 1176
- Sinusitis, nosocomial pneumonia risk in, 1555
- Skin infections, antibiotics for, 118-120  
in elderly persons, 142-143

- Sleep disturbances, as migraine triggers, 919-920
- Smoking, 790-791  
 as migraine trigger, 922-923  
 in schizophrenia, 679  
 screening for, 591-592
- Sneeze headache, 1085-1086
- Social anxiety disorder, 711-733  
 classification of, 711-712  
 clinical features of, 712-713  
 comorbidity with, 719, 725-726  
 consequences of, 719  
 diagnosis of, 714-717  
 differential diagnosis of, 713-714  
 generalized, 713  
 nongeneralized, 713  
 pathophysiology of, 715, 718-719  
 prevalence of, 712  
 subtypes of, 713  
 treatment of  
   behavioral, 724  
   future, 725

   new research applications to, 725-727  
   pharmacologic, 720-724  
   psychotherapy, 725  
   social skills training, 724
- Social skills training  
 in schizophrenia, 623  
 in social anxiety disorder, 724
- Sodium, fractional excretion of, in  
 postoperative kidney dysfunction,  
 1246-1247
- Sotalol  
 for atrial fibrillation, 234, 1174  
 for supraventricular tachycardia, 214-217  
 for ventricular tachycardia, 274, 278  
 proarrhythmia monitoring and, 520
- Sparfloxacin, photosensitivity due to, 160
- Spasticity, antibiotic-induced, 161, 165, 166
- Spreading depression phenomenon, in  
 migraine, 913, 951
- Sputum testing, in pneumonia  
 antigen studies, 1387-1388  
 culture, 1386-1387  
 Gram stain, 1384-1386  
 polymerase chain reaction, 1388
- Stair climbing test, in postoperative  
 pulmonary risk prediction, 1135-1136
- Standing, syncope related to. *See* Syncope,  
 in autonomic dysfunction.
- Staphylococcal infections, coagulase-  
 negative, 9-13  
 antibiotics in, 11-13  
 resistance in, 10-11  
 types of, 9-10
- Staphylococcus aureus* infections, 1-9  
 antibiotics in, 5-9  
 osteomyelitis, 117
- pneumonia, 84-88, 94-97  
 community-acquired, severe, 1414  
 nosocomial, 1548, 1584-1585  
 radiology of, 1465-1466  
 resistance in, 127  
   b-lactam, 2-3  
   glycopeptide, 3-5  
   skin, 118-120  
   types of, 1-2
- Staphylococcus epidermidis* infections, 9-13  
 antibiotics in, 11-13  
 resistance in, 10-11  
 types of, 9-10
- Statins, long-term use of, perioperative  
 recommendations for, 1122
- Status migrainosus, 907
- Steatosis, hepatic, in nutritional support,  
 1260-1261
- Step-down therapy, 1429-1430
- Stevens-Johnson syndrome, antibiotic-  
 induced, 157, 159
- Stimulants  
 abuse of, 780-783  
 for attention deficit/hyperactivity disorder, 766-768
- Stomatitis, antibiotic-induced, 179
- Streamlining therapy, 1429-1430
- Streptococcal cellulitis, treatment of, 119
- Streptococcus pneumoniae* pneumonia, 43-45  
 community-acquired, 1367-1379  
   antibiotic-resistant, 1367-1368, 1503-1504  
   empirical therapy for, 1374-1376

T lymphocytes, in respiratory infection

- defense, 1333-1340, 1343, 1445

## Tachycardia

- atrial. *See* Atrial tachycardia.
- in postural orthostatic tachycardia syndrome, 463, 478-479
- perioperative
  - myocardial ischemia in, 1155
  - narrow-complex, 1178-1179
  - wide-complex, 1181
- preexcited, wide QRS complex, 249-250
- supraventricular. *See* Supraventricular tachycardia.
- ventricular. *See* Ventricular tachycardia.
- wide QRS complex, 245-266

Tachypnea, in pneumonia, in elderly persons, 1446

Tacrine, for Alzheimer's disease, 805

Tamoxifen, for migraine, 1026

Tardive dyskinesia, in antipsychotic agent therapy, 674-675

Teichopsia, in migraine, 945

## Teicoplanin

- for staphylococcal infections, 6-7, 12
- resistance to, 3-5, 11

Temporal arthritis, headache in, 879-882, 980, 1087-1088

Temporal artery, dilation of, in migraine, 948-949

Temporal lobe, medial, pathology of, in schizophrenia, 672-673

Temporomandibular joint dysfunction, pain in, 989, 1087

Tendinitis, antibiotic-induced, 177, 179

## Tension-type headache

- chronic, 903-905
- epidemiology of, 890
- episodic, 903-905
- impact of, 891-892
- treatment of
  - behavioral, 1065-1067
  - emergency, 982
  - versus migraine without aura, 903-906

Tetracyclines. *See also* Doxycycline;

Minocycline.

for *Campylobacter* gastroenteritis, 122

for cholera, 122

for pneumonia

atypical, 1359

*Streptococcus pneumoniae*, 1368

hepatotoxicity of, 173

minimal inhibitory concentration drift of, 59-60

new uses of, 125-127

resistance to, 3, 10

Thalamus, pathology of, in schizophrenia, 671

Theophylline, long-term use of, perioperative recommendations for, 1122-1123

Thiabendazole, hepatotoxicity of, 173

Thioridazine, for Alzheimer's disease, 811

Thiothixene, for Alzheimer's disease, 811

Thoracentesis, for pneumonia diagnosis, community-acquired, 1389

Thoracic surgery, arrhythmias related to, 1174-1175

Thoracoscopy, for lung biopsy, in pneumonia, 1391

Thrombin, excess of, in disseminated intravascular coagulation, 1290-1291

## Thrombocytopenia

- antibiotic-induced, 150, 155
- heparin-induced, postoperative, 1283-1284, 1305-1307
- in massive blood transfusions, 1288
- postoperative bleeding in, 1307-1308
- postoperative stroke in, 1270

Thrombocytosis, antibiotic-induced, 155

Thromboembolism, prevention of, in atrial fibrillation, 231-233

## Thrombolytic therapy

- for myocardial infarction, 1159-1160
- postoperative bleeding due to, 1286-1288

## Thrombosis

- deep vein. *See* Deep vein thrombosis.
- in disseminated intravascular coagulation, 1290-1291
- risks of, in anticoagulant discontinuation, 1111-1112, 1114-1115

Thunderclap headache, 976, 1086-1087

Thyroid hormones, long-term use of, perioperative recommendations for, 1125

- Tic douloureux, treatment of, 983
- Tic syndromes, with cluster headaches, 1008-1010
- Ticarcillin, for *Pseudomonas aeruginosa* infections, 25
- resistance to, 19-22
- Ticlopidine, postoperative bleeding due to, 1281-1282
- Tics. *See also* Tourette syndrome.
- types of, 742-743
- Tilt-table testing, in syncope, 438-440
- Tinzaparin, postoperative bleeding due to, 1285
- Tirofiban, postoperative bleeding due to, 1282
- Tissue-plasminogen activator, postoperative bleeding due to, 1287
- Torsades de pointes
- acquired, 325-327
- as proarrhythmia, 507, 509-510, 522
- cellular mechanisms of, 327-329
- definition of, 322-323
- evaluation of, 332
- in long Q-T syndrome, 291-294
- pacemaker in, 377-379
- short-coupled variant of, 323
- treatment of, 329-332, 522
- Tourette syndrome, 742-749
- comorbidity with, 744
- cyclic nature of, 748
- diagnosis of, 742-744
- genetics of, 747-748
- internal world of, 743

   as proarrhythmia, 506, 507, 513-515  
   bundle-branch reentrant, catheter ablation of, 493  
   catecholaminergic, 296, 323, 333  
   catheter ablation of, 491-496  
   classification of, 268-269  
   electrophysiologic studies of, in elderly persons, 539-540  
   epidemiology of, 267-268  
   historical background of, 267  
   idiopathic, catheter ablation of, 492-493  
   in arrhythmogenic right ventricular dysplasia, 296-298  
   in Brugada's syndrome, 294-295, 323-324  
   in cardiomyopathy  
     hypertrophic, 286-288  
     idiopathic, 284-286  
   in Chagas' disease, 299  
   in digoxin toxicity, 296  
   in elderly persons, 535-544  
     electrophysiologic studies of, 539-540  
     prevalence of, 535-536  
     prognosis of, 535, 537-539  
     treatment of, 540-544  
   in ischemic heart disease, 270-283  
   in long Q-T syndrome, 291-294  
   in muscular dystrophy, 298  
   in myocarditis, 298  
   in sarcoidosis, 298  
   incessant, as proarrhythmia, 507  
   left ventricular, idiopathic, 289-291  
   mechanistic description of, 269-270

- monomorphic, in normal heart, 288-291
- new-onset, sustained, monomorphic, as proarrhythmia, 506
- nonidiopathic, catheter ablation of, 493-496
- nonsustained, 305-320
  - definition of, 305
  - in coronary artery disease, 312-315
  - in dilated cardiomyopathy, nonischemic, 311-312
  - in hypertrophic cardiomyopathy, 310-311
  - in mitral valve prolapse, 307, 309-310
  - without structural heart disease, 306-308
- pacemaker in, 372
- perioperative, 1180-1181
- polymorphic, 321-341. *See also* Torsades de pointes.
  - cellular mechanisms of, 327-329
  - classification of, 322-325
  - definition of, 321-322
  - evaluation of, 332
  - in normal heart, 291-299
  - referral in, 337
  - treatment of, 329-332
  - with prolonged Q-T interval, 291-294, 325-327, 334-337
  - without prolonged repolarization, 325, 332-333
- prevalence of, in elderly persons, 535-536
- prognosis of, in elderly persons, 535, 537-539
- right ventricular outflow tract, 288-289
- sustained with increased frequency, as proarrhythmia, 506
- syncope in, 449-450
- treatment of, in elderly persons, 540-544
- unrelated to coronary artery disease, 273, 284-288
- wide QRS complex, 247-248, 250-251
  - electrocardiography of, 252-254, 256-260
- Verapamil
  - for atrial fibrillation, 230
  - for cluster headache, 999
  - for supraventricular tachycardia, 214-217
  - for wide QRS complex tachycardia, 262, 264
- Vertebral artery, dissection of, headache in, 977
- Vertebral osteomyelitis, treatment of, 117
- Vibrio cholerae* gastroenteritis, treatment of, 122
- Viral infections
  - pneumonia
    - nonresolving, 1516-1517
    - radiology of, 1470-1473
  - treatment of, in elderly persons, 144
- Visual loss, in migraine, 898
- Visual stimulus, as migraine trigger, 920-921
- Vitamin(s)
  - for alcohol withdrawal, 1204-1205
  - for migraine, 1081
- Vitamin E, for Alzheimer's disease, 807
- Vitamin K deficiency, postoperative bleeding in, 1286
- Vocal tic disorder, chronic, 742-743
- Vomiting, antibiotic-induced, 170, 172
- von Willebrand's disease, postoperative stroke in, 1270
- Warfarin
  - for atrial fibrillation, 231-233, 531
  - for deep vein thrombosis prevention, 1102, 1104, 1106
  - for heparin-induced thrombocytopenia, 1284
  - pharmacokinetics of, 1112-1113
  - postoperative bleeding due to, 1286
- Weather changes, as migraine triggers, 921-922
- Wegener's granulomatosis, versus pneumonia, 1523
- Wernicke's encephalopathy, in alcoholism, 785
- Whiplash injury, headache with, 988-989
- Wide-complex tachycardia, perioperative, 1181
- Wide QRS complex tachycardia, 245-266
  - causes of, 246-250
  - classification of, 247
  - clinical assessment of, 250-262
  - definition of, 245
  - differential diagnosis of, 246-250
  - treatment of, 262-264
- Wine, as migraine trigger, 925-926
- Wiskott-Aldrich syndrome, pneumonia risk in, 1341, 1343
- Withdrawal
  - alcohol, 783-786. *See also* Alcohol use and abuse, postoperative withdrawal syndrome in.
  - opioid, 787-789
- Wolff-Parkinson-White syndrome, 197-204, 218-219
  - catheter ablation of, 484-486
- Worry, in generalized anxiety disorder, 692, 701
- Wound(s)
  - infection of, postoperative, fever in, 1146-1147
  - surgical hemostasis in, 1297
- Xanthochromia, in subarachnoid hemorrhage, 877

Zanamivir, for influenza pneumonia  
prophylaxis, 1539-1541

Zolmitriptan  
for migraine, 962

in pediatric patients, 1043-1045  
safety of, 963  
structure of, 955
